OUR APPROACH

Why learn with iSpeak Vietlingo

Our own curriculum
Every course follows **Vietnamese with Ease**, our published textbook series with audio for every lesson.

Speaking from day one
We start with the alphabet and the six tones, so your pronunciation is right from the first lesson.

Real-life situations
Ordering food, getting around, chatting with neighbours, working with Vietnamese colleagues.

Language and culture
Experienced native teachers share the customs and stories behind the language.

RESULTS BY COURSE

What you will be able to do

General Vietnamese	✓ Hold everyday conversations with confidence and move up level by level, from A1 to B1.
Business Vietnamese	✓ Communicate at work: greet partners properly, take part in meetings and handle everyday work emails.
Survival Vietnamese	✓ Greet people, introduce yourself, order food, shop and ask prices, and use Vietnamese money.
Settle in Hanoi	✓ Manage daily life in Hanoi with everyday Vietnamese, understand local customs and get around the city.

Results depend on your starting level, practice time and how often you take lessons.
